

Tasmanian Christian Convention Speakers for 2009 are:

Archie Poulos

Archie Poulos is a lecturer at Moore Theological College and heads the Moore College Missions Committee

Luke Tattersall

Luke, married to Debbie, has been working with Carlingford Presbyterian Church for the past 10 years (formerly called Parramatta City). Favourite pas-time: watching the Wallabies walk all over the Springboks

Jason Smart (Youth Speaker)

Cath, Arthur (3), Bill (1.5) and I have been living in Bathurst since January 08 working at the Pressy church. On our day off we like to go for long drives because the kids often fall asleep and Cath and I can catch up with each other! Lately we've been thinking a lot about how radical it is that Jesus actually rose from the dead - he was dead... and now he's alive. It spins me out thinking about what that means for my life. Have you ever thought about what that means - it's a big deal

Schedule: Archie Poulos at 7pm starting 27th
Jason Smart Evenings at 7pm starting 27th
Luke Tattersall Mornings at 10:30 starting 28th

Kids Time for pre-school children during the morning meetings
Infants and primary children meetings will run in the morning and evening
Youth Meetings at 10:30 starting 28th
